Michael and Luci are awesome to work with! They were willing to work with my ideas to create a perfect cheesecake to surprise my now-husband on our wedding day. They met with my bridesmaids and me to sample a few of their flavors. Every single thing we tasted was amazing, but we ultimately decided on an Irish Creme Cheesecake with a chocolate crust. They were able to print my husband's fire department logo on a sugar sheet and overlaid it on top. It could not have been more perfect. I cannot wait for the next occasion when I can order another cheesecake from Stregare Cheesecake.

Most Delicious Cheesecakes Ever

For my wedding, I had a small cake mainly and many cheesecakes. The cheesecakes from Stregare tasted amazing! I had a tasting, where we met at a Starbucks near my home. Beforehand, you pick a few flavors that you would like to sample and they take the cheesecake to you so you can try it. Immediately, we knew we loved it! We chose Strawberry, Coconut, and we asked for a special flavor- Blueberry Lavender. All were amazing!

Price wise, I got a lot for what I paid! Believe me.
